

MEMBERSHIP POLICY FOR PULSARS GYMNASTICS

For All Programs

Pulsars Gymnastics is committed to excellence in serving all customers in a fair and transparent manner. It is for this reason that we have established the following Membership Policy.

Membership Period

The Pulsars Gymnastics Club requires that all participants (apart from birthday parties) be registered Pulsars Gymnastics members. Our annual membership period runs from July 1st to June 30th of the following year. At the end of each membership period, all memberships are voided and a new membership must be purchased for the new year. Annual membership fees are subject to change without notice.

Membership Benefits

Member benefits vary depending on the level of membership purchased. For a list of internal benefits please visit the membership portion of our website.

Members are awarded the following external benefits through Gymnastics Ontario:

- Gymnastics Ontario Insurance Benefits: <https://www.gymnasticsontario.ca/insurance/>

Membership Removal

If a member or parent of a member is found to break our code of conduct or prove themselves a danger to the Pulsars Gymnastics Club, Pulsars retains the right to revoke Membership without refund at any time.

Life Membership

Exceptional Members that embody the spirit of Pulsars Gymnastics, our Mission, our Vision, and our Core Values may be awarded with a Life Membership. Life Members are awarded with a standard membership for as long as Pulsars Gymnastics serves the community.
